SCHOOL PERFORMANCE FACT SHEET

Program Descriptions

Vocational Nursing Program – 1646 hours

A comprehensive theory and clinical training program requiring three (3) terms of academic work and clinical experience which meets the Basic Curriculum guidelines set forth in Section 2533, Rules and Regulations of the Board of Vocational Nurse and Psychiatric Technician.

The Vocational Nursing Program shall include, but is not limited to, theory and correlated clinical experience that develops the knowledge, skills and abilities necessary to care for clients of all ages in current health care settings. The curriculum content is taught in a sequence that results in the student's progressive mastery of knowledge, skills, and abilities. Instruction is in English Language only.

Nursing Assistant Training Program – 150 hours

Prepares the Nurse Assistant Student for the State of California Nursing Assistant Competency Evaluation. Certification is after satisfactory completion of the course program and passing of the CA State Exam. This course introduces the students to the role of a nursing assistant with instruction in basic skills and competencies. Theory classes will be held in the classroom and clinical hours will be at the contracted training facilities or laboratory.

Home Health Aide Training Program – 40 hours

A 40-hour supplemental theory and clinical training course program which helps prepare the Nurse Assistant Student or CNA become a Certified Home Health Aide. Theory classes will be held in the classroom and clinical hours will be at the contracted training facilities or laboratory.

There is no reciprocity granted for HHA's. One may NOT work as a certified HHA until he/she is cleared for criminal convictions and received an HHA certificate. The school is an eligible CA Training Provider, but does not offer any other Federal and State Financial Aid.

Acute Care CNA Training Program – 80 hours

An 80-hour theory and clinical training course program which helps prepare the long term care nursing assistant to function at a competent level in the acute care setting. Theory classes will be held in the classroom and clinical hours will be at the contracted training facilities or laboratory.

94910. Minimum Requirements for School Performance Fact Sheet

Prior to enrollment, an institution shall provide a prospective student with a School Performance Fact Sheet containing, at a minimum, the following information, as it relates to the educational program:

- (a) Completion rates, as calculated pursuant to Article 16 (commencing with Section 94928).
- (b) Placement rates, as calculated pursuant to Article 16 (commencing with Section 94928), if the educational program is designed to lead to, or the institution makes any express or implied claim related to preparing students for, a particular career, occupation, vocation, job, or job title.
- (c) License examination passage rates for programs leading to employment for which passage of a state licensing examination is required, as calculated pursuant to Article 16 (commencing with Section 94928).
- (d)
 - (1) Salary or wage information, as calculated pursuant to Article 16 (commencing with Section 94928), if the institution or a representative of the institution makes any express or implied claim about the salary that may be earned after completing the educational program.
 - (2) Additionally, each institution that offers an educational program designed to lead to a particular career, occupation, vocation, trade, job, or job title shall disclose the wage and salary data for the particular career, occupation, trade, job, or job title, as provided by the Employment Development Department's Occupational Employment Statistics, if that data is available.
- (e) If a program is too new to provide data for any of the categories listed in this subdivision, the institution shall state on its fact sheet: "This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data."
- (f) All of the following:
 - (1) A description of the manner in which the figures described in subdivisions (a) to (d), inclusive, are calculated or a statement informing the reader of where he or she may obtain a description of the manner in which the figures described in subdivisions (a) to (d), inclusive, are calculated.
 - (2) A statement informing the reader of where he or she may obtain from the institution a list of the employment positions determined to be within the field for which a student

received education and training for the calculation of job placement rates as required by subdivision (b).

(3) A statement informing the reader of where he or she may obtain from the institution a list of the objective sources of information used to substantiate the salary disclosure as required by subdivision (d).

(g) The following statements:

(1) "This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law."

(2) "Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education, P.O. Box 980818, West Sacramento, CA 95798-0818, Phone: (888) 370-7589 Web site: www.bppe.ca.gov"

I certify that I have received the catalog, School Performance Fact Sheet, and information regarding completion rates, placement rates, license examination passage rates, and salary or wage information included in the School Performance Fact sheet, and have signed, initialed, and dated the information provided in the School Performance Fact Sheet.
